ID	Title	Module	Priority	Type	Preconditions	Test Steps	Expected Results
TC_6356	Negative – Unauthorized User Attempts to View Request Status	Doctors-Wards / Consultant Dashboard	P1	Functional	rest & in-transit enabled).	DOB) are masked (e.g., ****1234). 7. Close the pop-up and log out.	appear.
					1. Billing clerk user with valid credentials but without Consultant role is active. 2. System audit logging is enabled.	1. Launch the HMS portal and log in as the billing clerk. 2. Attempt to navigate directly to the URL of the Consultant Dashboard (e.g., /consultant/dashboard). 3. Observe the system response. 4. If redirected to a generic error page, capture the displayed message. 5. Attempt to use the UI navigation: Patient Service ► Doctors & Wards ► Functions ► Transactions ► Consultant Dashboard. 6. Verify that the system blocks access and shows "Access Denied – Insufficient Permissions". 7. Check the audit log for an entry recording the unauthorized access attempt.	User is prevented from viewing the dashboard; an explicit "Access Denied" message is shown within 1 second. An audit log entry records user ID, timestamp, and attempted URL.
